Frederick Banks,

Intervenor

**NOTICE TO INTERVENE AS OF RIGHT (Fed. R. Civ. P. 24) AND CLAIM**

**Relief Sought**

Frederick Banks hereby gives notice that he intervenes in this action as of right and files the foregoing Claim. Fed.R.Civ.Proc. 24

**Grounds for Intervention**

**Intervention as of Right**

Frederick Banks is entitled to intervene in this action as a matter of right because:

1. Frederick Banks has a legally protectable interest in the subject matter of this action.
2. Together, Plaintiffs allege Defendant's robocalls violated the TCPA. Specifically, Plaintiffs claim that GTL used an automated telephone dialing system and an artificial voice to make robocalls to their cell phones; that such calls were made without their prior express consent; and that Plaintiffs were ultimately charged for these calls. (Id. ¶¶ 47 - 51.) The Court originally stayed the case pending action by the FCC to clarify certain rules and regulations under the TCPA. (ECF No. 21.) But after the FCC issued its Declaratory Ruling and Order on July 10, 2015, and after 2 Plaintiffs filed their CAC, Defendant moved to dismiss the consolidated action for failure to state a claim. (ECF No. 41.) This motion is now before the Court.
3. Thereafter the court approved the class action settlement.
4. Intervenor has a claim in this matter and asserts that settlement funds should be sent to

him as follows;

Make payable to; CCA
